Support for Heavy Rain Disaster in East Malaysia

We would like to extend our heartfelt condolences to those who have lost their lives due to the heavy rain disaster in East Malaysia from late January to early February 2025 and express our deepest sympathies to everyone affected by this disaster.

ENEOS Corporation (President: Yamaguchi Atsuji) and ENEOS Xplora Inc. (President and CEO: Toshiya Nakahara) are committed to supporting the victims in Sarawak, Malaysia—a region where we have been carrying out our business for many years. To aid the recovery and contribute to living assistance in severely affected areas, each company has donated 100,000 Malaysian Ringgit (approx. 3.5 million JPY or 22,300 USD) to the Malaysian Red Crescent Society, totaling 200,000 Malaysian Ringgit (approx. 7 million JPY or 44,600 USD) .

We sincerely hope that those affected can return to their normal lives as soon as possible.
