## **TonenGeneral Sekiyu Sakai Refinery Hosts Tennis School for Children**

TonenGeneral Sekiyu K.K. (head office: Minato-ku, Tokyo president: Jun Mutoh) hosted the Kids Tennis Festa 2012, a tennis school for children, at its Sakai refinery (Sakai, Osaka) on November 4, 2012.

Sakai Refinery holds a tennis school every year to which participants are invited through the local newsletter "Phoenix". This year, which marks the thirty-ninth time the tennis school has been held, 23 children, kindergarten and elementary school students, took lessons from members of the refinery tennis club. The children experienced the fun of tennis while learning the basics of the game, using a sponge ball for safety, as well as proper greetings and other court etiquette.

The TonenGeneral Group believes that contributing to society as a good corporate citizen while working to maintain safety and health, protect the environment and respond to climate change issues is an important corporate responsibility. Hosting the tennis school at Sakai Refinery is one of the Group's many social contribution activities.
