**TonenGeneral Sekiyu Sakai Refinery Invites Newsletter Readers to
Phoenix Christmas Concert**

TonenGeneral Sekiyu K.K. (president: Jun Mutoh) invited 60 readers of the newsletter "Phoenix"* to the Christmas Concert held by its Sakai refinery (location: Sakai City, Osaka; manager: Toshiaki Ohtomo) on December 6 and 7.

The event, which began in 2007 as a performance at the Nankai Dentetsu Hamadera Koen Station Gallery to commemorate the four-hundredth issue of Phoenix, was referred to as the Christmas Concert from the following year and has been held six times since then, to the great acclaim of the local community.

This year's concert featured splendid performances of Christmas songs, "Ave Maria" and other works by vocalists, pianists and a violinist of the Sakai City Opera, which has received critical acclaim at the Puccini Festival in Italy and is supported by the Sakai refinery.

The TonenGeneral Group believes that as a good corporate citizen, contributing to society while continuously working to maintain safety and health, protect the environment and respond to climate change issues is an important corporate responsibility. Support for the Sakai City Opera and sponsorship of the Phoenix Christmas Concert are part of the group's many social contribution activities.
