ANTIRUST TERAMI LN
Barium-free long-term lubricating-oil-type rust preventive oil

ANTIRUST TERAMI LN is a rust preventive oil for the processing parts and the machine parts, which passes NP-9 in JIS standard. ANTIRUST TERAMI LN, which does not contain petrolatum, provides good working efficiency, good removal of oil film and high protection performance against corrosion.

● SPECIAL FEATURES
1. Excellent Rust Prevention
ANTIRUST TERAMI LN delivers excellent protection from rust due to the most suitable mineral oil and additives.

2. Low Risk of Fire
ANTIRUST TERAMI LN has high flash point exceeds 150°C and can be used with low risk of fire.

3. Good Removal
ANTIRUST TERAMI LN can be easily removed by using a petroleum solvent or alkaline process cleaner.

● APPLICATIONS
For various processing parts and machine parts

● STORAGE PRECAUTIONS
When ANTIRUST TERAMI LN is left in a cold place in winter etc., some of the additives might be separated very unusually. So, it should be kept indoors. When oil separation might occur, please stir well before using.

● COATING METHODS
Immersion, Spraying, Brushing

● CONTAINERS
200-liter drums and 20-liter cans

● Typical Properties of ANTIRUST TERAMI LN

| Hazard Statement: | Causes skin irritation  
Causes serious eye irritation  
Suspected of causing genetic defects  
May cause damage to organs (or state all organs affected (respiratory system))  
Causes damage to organs (state all organs affected (lung, skin), if known) through prolonged or repeated exposure  
May be fatal if swallowed and enters airways |
| Precautionary Statements: | • Do not handle until all safety precautions have been read and understood.  
• Wear protective gloves/protective clothing/eye protection/face protection.  
• Do not allow the eyes to become exposed to the product. Do not swallow the product.  
• Do not breathe dust/fume/gas/mist/vapours/spray.  
• Wash hands thoroughly after handling.  
• Do not eat, drink or smoke when using this product. |
| Response | • IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician.  
• IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.  
• If the eyes are exposed to the product: Rinse the eyes with plenty of running water and immediately contact a physician.  
• IF ON SKIN: Wash with plenty of soap and water.  
• IF exposed or concerned: Get medical advice/attention.  
• Get Medical advice/attention if you feel unwell.  
• Take off contaminated clothing and wash before reuse.  
• If skin irritation occurs: Get medical advice/attention.  
• IF IN EYES: Rinse continuously with water for several minutes.  
• Remove contact lenses if present and easy to do. Continue rinsing.  
• Do NOT induce vomiting. |
| Storage | • The product must be stored in a cool, well-ventilated location where it will not be exposed to direct sunlight.  
• Containers that have been opened must be tightly sealed.  
• Store locked up. |
| Disposal | • Dispose of contents/container in accordance with local/regional/national/international regulations.  
• If there are any doubts about proper methods of handling the product, contact the point of purchase before proceeding with usage. |
